

After Action Review (AAR) Rollup Lessons Learned Center

The purpose of the AAR Rollup is to identify both successes and challenges on an incident that can be used as a learning tool for others. The lessons learned in the rollup will also be used to improve training curriculums. Issues and trends that are identified may have Information Collection Teams assigned to them in the future for further analysis and resolution.

Everyone, Type 1- 5 Incident Commanders, Area Commanders, Fire Use Managers, Burn Boss, Crews and Single Resources, Agency Administrators, are requested to complete an AAR Rollup for each wildfire, wildland fire use, prescribed burn or all risk incident they participate in. Don't make others "reinvent the wheel" when you may already have a part of the solution that you could share.
