Subject: Postponement of Heavy Equipment Workshop Sessions One and Two

To: Workshop Participants and Training Officers

Dear Sir or Madam,

I regret to inform you that we have been forced to postpone both sessions of our Heavy Equipment Workshop. Policy constraints under a further extension of the continuing resolution budgetary process prohibit us continuing to spend funds for planning and implementing the workshops. When a FY11 budget is approved, we will restart our planning efforts.

We will reschedule the workshop at the end of September, 2011, dates TBD. Funds have been obligated and we maintain authorization to spend those funds until the end of FY11.

As a result of postponement, we will not be charging a cancellation fee to our participants who have cancelled prior to this announcement.

The Southwest Montana Wildland Fire Training Center remains undaunted in its commitment to an annual Heavy Equipment Workshop that will serve the regional and national need to train an interagency workforce on the cost-effective, efficient, and productive use of heavy equipment in all facets of land management.

Do not hesitate to call if you have any questions regarding this letter.

Respectfully,

Chris "CJ" Johnson  
Course Coordinator  
Heavy Equipment Workshop
