

# **MISSOULA COUNTY SHERIFF'S DEPARTMENT**

## **WILDLAND FIRE SEASON 2000 - GENERAL OBJECTIVES**

- 1. Ensure the safety of law enforcement personnel working in an unfamiliar operational environment.**
- 2. At the request of wildland/structure fire services, establish and maintain traffic control points and other perimeter functions to help provide a safe working environment for responders and the public.**
- 3. In cooperation with wildland/structure fire services and other agencies, assess threats to the public and implement measures to minimize those threats.**
