

SAN BERNARDINO N.F. (BDF)
ENGINE 57 SUPPORT

OBJECTIVES

Management Priorities

Provide immediate support for the families of the fallen firefighters.

Provide immediate support for the employees of the San Bernardino National Forest.

Support the continuity of operations for the Esperanza Incident, and fire resource staffing.

Develop a strategy to address long-term support needs for the San Bernardino National Forest Engine 57 Support.

Core Values

Firefighter and responder safety is the #1 priority -
Everyone goes home

Public safety - Proactive in facilitating the safety of affected citizens

100% effort - Engage the mission with all available resources and expertise

Communications - Direct, respectful, and effective 2-way communication is key to the measure of management success
