

**Incident Name:** Dolan Fire Entrapment (2020)

**State:** California

**Date:** 9/8/20

**Incident Type:** Entrapment

**Description of the Incident:**

Multiple firefighters battling the Dolan Fire on the Los Padres National Forest were overrun by flames. Three firefighters (two "Red", one "Yellow") were transported via an agency owned vehicle and air ambulance with burns and superheated gas/smoke inhalation injuries. As of today, two patients have been released from the hospital; one remains admitted but stable. A Coordinated Response Protocol (CRP) is in progress.
