Lt. Col. C. M. Wilhelm,
Pennsylvania Motor Police,
Harrisburg, Pennsylvania.

My dear Colonel Wilhelm:

Thank you for your memorandum of November 2nd transmitting reports of your men in Cameron County. I spent a number of days since the fire in Cameron County attending various hearings and making some observations of my own. This is a very interesting case. I trust that someone may be able to discover the indian who started the fire.

Yours very truly,

George H. Wirt,
Chief Forest Fire Warden.
